What is the Australasian Management Challenge?

The Australasian Management Challenge is a simulation-based team building, learning and networking program using real local government themes – the types of issues that a senior management team in a council would most likely face.

Council teams are challenged to respond to a series of tasks in a unique one-day, fast paced, "pressure cooker" environment.

REGISTRATIONS FOR THE **2018 AUSTRALASIAN MANAGEMENT CHALLENGE** ARE NOW OPEN

Talk to your manager and/or HR Team about being part of your council team! Don't put it off – spaces are limited!
